

GUIDELINES FOR FUN SHOPS

The Fun Shops take place on the Friday Night of Assembly.

1. The Chairperson assigns two Districts (one a Tradition and one a Concept), to make a presentation on the assigned Tradition and Concept.
2. The assigned Districts research Al-Anon Conference Approved Literature to make a presentation to the Assembly. Remember Past Delegates are always available for assistance and guidance.
3. Each District has five minutes each.

There are two mind sets here that we need to think about.

1. One is to keep it as is, with skits, props, etc.
2. The other is to go beyond the basics and get the Past Delegates involved. We feel that when you have reached this level of service, you need a little more than the surface of these valuable tools; we want more information.
