

LITE SIDE/CONVENTION SKITS

After lunch on the Saturday of the Assembly, the District with the current North Florida Area Convention, has the opportunity to present a skit.

1. The Alternate Delegate is the time keeper.
2. The time limit is ten minutes.
3. You must start on time or it eats into your ten minutes
4. Keep it simple; no Broadway Productions
5. You may use costumes, props, etc.

We would also like to see the skits from Conference brought back by the Delegate twice a year as a way to not burn out on the Convention skits.

If the Area Convention or Delegate can not provide an updated skit, the NFA Chairperson will assign a district to provide a skit.

Suggestion:	Spring:	Convention Skit
	Fall:	Delegates Skit
