SERVICE POSITIONS

The Election Assembly was well attended with 11 of the 12 Area Committee service positions filled. The **Office Coordinator role remains vacant**. There is plenty of support and service sponsorship also available. Please contact Adelaide City Office if you're interested. 08 8231 2959

THE LEGACIES - DECEMBER

Step 12 – Having had a spiritual awakening as the result of these steps, we tried to carry this message to others, and to practice these principles in all our affairs.

Tradition 12 – Anonymity is the spiritual foundation of all our Traditions, ever reminding us to place principles above personalities.

Concept 12 - The spiritual foundation for Al-Anon's world services is contained in the General Warranties of the Conference, Article 12 of the Charter.

Australian Service Conference

Twelve Concepts - A Principled Approach

The Al-Anon Service Conference was held in May this year. The Conference Summary is now ready for circulation and is available here: [!\[\]\(dfbd6b3763a6d1d9afaa974f64e2e4b5_img.jpg\) 2025 Conference Summary final.pdf](#)

Please take time to read the Conference Summary as Al-Anon Australia's Annual National Service Conference is an essential element in the recovery of every fellowship member. Here's why...

"The Australian Service Conference makes the group conscience available and effective for all Al-Anon in Australia. It is the practical means by which the group conscience can speak; it is the voice of Al-Anon Australia, and the guarantee that our Australian services shall continue to carry on under all conditions. The Conference protects Al-Anon and Alateen against a service breakdown; it makes for unity and enables our fellowship to act as a whole upon important matters. This makes it the principal guarantor of Al-Anon and Alateen's harmony and survival." *(From the Australian Service Handbook page. 30)*

Membership Survey 2025

Deadline Extended to 31st December

Concept Four: Participation is the key to harmony

Frequent appeals to fill out surveys and submit reviews in everyday life have given rise to survey fatigue. We understand this 'tell us what you think' saturation can be off putting but are hopeful members of our Al-Anon family will appreciate this survey is a genuine attempt to meet members' needs and is in response to 2025 Australian

Service Conference Motion 12: *"That an electronic Membership Survey of our members be conducted this year (2025)."*

We are keen to give all members as much time as possible to participate in this survey so the closing date has been extended. The purpose of the survey is to gather information about our members so we can better plan for the future including i.e. literature and public information strategies and also provide accurate information about our organisation to outside professionals.

No personal contact details are requested. Click here to complete the survey: <https://forms.office.com/r/ACg028gRS0>
