Al-Anon Family Groups are a fellowship of relatives and friends of alcoholics who share their experience, strength and hope in order to solve their common problems. We believe that alcoholism is a family illness and that changed attitudes can aid recovery. Al-Anon is not allied with any sect, organization or institution; does not engage in any controversy, neither endorses nor opposes any cause. There are no dues for membership. Al-Anon is self-supporting through its own voluntary contributions. Al-Anon has but one purpose; to help families of alcoholics. We do this by practising the twelve Steps, by welcoming and giving comfort to families of alcoholics and by giving understanding and encouragement to the alcoholic.

“When our information service office lists a group, at their request, there is an informal agreement that the group will abide by Al-Anon traditions and keep its doors open to any Al-Anon member.

Listing in the directory does not constitute approval of any group’s manner of practising the Al-Anon program.

If the group you attend is not right for you, please try another.

“There is help available in Al-Anon”.
