

Serenity

I will wake every morning
To an uncertain fate
I can't know what this day will bring
But I can enjoy
This clean empty slate

Life can be a wonder
Now I've found my way
To rooms filled with courage and hope
Let go of the rope
I'm living again

Chorus: *God grant me the serenity
 To accept the things that I cannot change
 Courage to change the things that I can
 And the wisdom to know the difference*

Life without chaos,
Freedom from fear
I know that when I'm on my own
I'm never alone
My choices are clear

If I'm feeling hollow
A little dismayed
I reach out and share how I feel
It helps me to heal
The Al-Anon way

Chorus: *God grant me the serenity
 To accept the things that I cannot change
 Courage to change the things that I can
 And the wisdom to know the difference*

Bridge: I may want to move mountains—To go it alone
 Might believe I know how
 But in truth I'm not God and God is not me
 And I'm handing it over to my higher power...

*... grant me the serenity To accept the things that I cannot change
Courage to change the things that I can And the wisdom to know the difference*
